A

A comparison of two methods for detection of Chlamydia trachomatis *in the male urethra* (Opaneye A A *et al*). **122**(1), 58-60 (R)

A lesson from travel: first aid is needed before medical knowledge in emergency elderly care (Qureshi Bashir). **122**(1), 10 (CT)

A study of fetal anomalies detected by ultrasound in Bangladesh and their relative frequencies (Rashid S Q). **122**(1), 55-57 (R)

A wheel reinvented? (Fryer F). **122**(3), 202 (L)

Abu-Amero K, *Tuberculosis information on the web.* **122**(2), 82-85 (A)

Acceptance, *Caring for a relative with chronic fatigue syndrome: difficulti s, cognition and acceptance over time* (Ax S *et al*). **122**(1), 35-42 (R)

Access to medical services, *Access to medical services for older people in nursing and residential homes* (Jacobs S). **122**(3), 142 (CT)

Access to medical services for older people in nursing and residential homes (Jacobs S). **122**(3), 142 (CT)

Acute mountain sickness, *Sickness at high altitude: a literature review* (Brundrett G). **122**(1), 14-20 (A)

Adolescent stress, *Does the stress in childhood and adolescence matter? A psychological perspective* (Lau B W K). **122**(4), 238-244 (A)

Adulteration of herbal preparations, *Risks associated with herbal slimming remedies* (Corns C and Metcalfe K). **122**(4), 213-219 (A)

Adverse effects, *Serious adverse effects between herbal remedies and conventional drugs taken simultaneously* (Lis-Balchin M). **122**(4), 210 (CT)

Aetiology, *Tinnitus: an update* (Roy D and Chopra R). **122**(1), 21-23 (A)

Africa, *Cholera: a continuous epidemic in Africa* (Naidoo A and Patric K). **122**(2), 89-94 (A)

Africans, *With recent changes in environmental factors among Africans in South Africa, how have cancer occurrences been affected?* (Walker A R P). **122**(3), 148-155 (A)

Ahmad R, *see* Stewart A *et al.* **122**(2), 112-117 (R)

Ahmed A S M,

- *Pre-eclampsia: haemodynamic changes.* **122**(4), 210-211 (CT)
- *Pre-eclampsia: multisystem involvement and maternal risks.* **122**(4), 211-212 (CT)

AIDS, *Global emergency of tuberculosis: what is the cause?* (Grange J M and Zumla A). **122**(2), 78-81 (A)

Air travel, *Infectious diseases in air travellers arriving in the UK* (Gerard E). **122**(2), 86-88 (A)

Aircraft cabin altitude, *Sickness at high altitude: a literature review* (Brundrett G). **122**(1), 14-20 (A)

Alternative medicine,

- *Aristolochia fangi, Chinese herbal nephropathy and urothelial malignancy* (Mason R G and Donaldson D). **122**(4), 266-267 (LTBL)
- *Bach flower remedies. A step-by-step guide* (Shaw N). **122**(4), 268 (BR)
- *Essene's sister sect in Egypt: another medical site?* (Moss G A). **122**(4), 256-265 (HP)
- *Herbal therapy, conventional drugs and quality control.* **122**(4), 209 (GE)
- *Homeopathic conversation* (Kaplan B). **122**(1), 65 (BR)
- *Homeopathy. A step-by-step guide* (Marks C). **122**(4), 268 (BR)
- *Integrating Western medicine and Traditional Chinese Medicine in GP surgeries and the community: a review of two pilot schemes.* **122**(4), 220-225 (A)
- *Risks associated with herbal slimming remedies* (Corns C and Metcalfe K). **122**(4), 213-219 (A)
- *Serious adverse effects between herbal remedies and conventional drugs taken simultaneously.* **122**(4), 210 (CT)
- *Wisdom in the body: the craniosacral approach to essential health* (Kern M). **122**(4), 268 (BR)

Altitude sickness, *Sickness at high altitude: a literature review* (Brundrett G). **122**(1), 14-20 (A)

American culture, *Whitebread Protestants. Food and religion in American culture* (Sack D). **122**(3), 201 (BR)

Angina management, *Audit of primary care angina management in Sandwell, England* (Stewart A *et al*). **122**(2), 112-117 (R)

Antenatal care, *Seroprevalence of antibodies to herpes simplex virus types 1 and 2 among two sexually active female populations in Middlesbrough, England* (Opaneye A A and Bashford J). **122**(2), 108-111 (R)

Antibodies, *Seroprevalence of antibodies to herpes simplex virus types 1 and 2 among two sexually active female populations in Middlesbrough, England* (Opaneye A A and Bashford J). **122**(2), 108-111 (R)

Antioxidants, *Oxidative stress, micronutrients, diabetes mellitus and its complications* (Opara E C). **122**(1), 28-34 (A)

Aristolochia fangi, Chinese herbal nephropathy and urothelial malignancy (Mason R G and Donaldson D). **122**(4), 266-267 (LTBL)

Asbury N and White H, *Don't make me laugh. How to feel better about living with a weak bladder.* **122**(4), 269 (BR)

Ashton V, *see* Opaneye A A *et al.* **122**(1), 58-60 (R)

Aspirin, *Audit of primary care angina management in Sandwell, England* (Stewart A *et al*). **122**(2), 112-117 (R)

Aston G,

- *Environmental health and housing* (Stewart J). **122**(1), 63 (BR)
- *Food hygiene training - measuring success.* **122**(2), 76-77 (CT)
- *Meals-on-wheels: ensuring the food safety of one of today's essential services.* **122**(3), 144-145 (CT)

Asymmetry of the body, *Hemihypertrophy* (Leung A K C *et al*). **122**(1), 24-27 (A)

Attention deficit hyperactivity disorder, *Remarkable nutritional treatment for ADHD, dyslexia and dyspraxia* (Stordy J and Nicholl M). **122**(3), 199-200 (BR)

Attitudes to dental care, *Willingness of general dental practitioners to treat people with handicapping conditions: the Hong Kong experience* (O'Donnell D *et al*). **122**(3), 175-180 (R)

Au S and Hiew S, *Integrating Western medicine and Traditional Chinese Medicine in GP surgeries and the community: a review of two pilot schemes.* **122**(4), 220-225 (A)

Audit,

- *Audit of primary care angina management in Sandwell, England* (Stewart A *et al*). **122**(2), 112-117 (R)
- *Principles for best practice in clinical audit* (NICE). **122**(2), 130-131 (BR)
- *Suggestions in maternal and child health for the National Technology Assessment Programme: a consideration of consumer and professional priorities* (Johanson R *et al*). **122**(1), 50-54 (R)

Audit of primary care angina management in Sandwell, England (Stewart A *et al*). **122**(2), 112-117 (R)

Autism, *Caring for a child with autism: a practical guide for parents* (Ives M and Munro N). **122**(3), 199 (BR)

Ax S *et al*, *Caring for a relative with chronic fatigue syndrome: difficulties, cognition and acceptance over time.* **122**(1), 35-42 (R)

B

Bach flower remedies. A step-by-step guide (Shaw N). **122**(4), 268 (BR)

Balchin P, *see* Stewart J and Balchin P. **122**(2), 99-107 (A)

Bangladesh, *A study of fetal anomalies detected by ultrasound in Bangladesh and their relative frequencies* (Rashid S Q). **122**(1), 55-57 (R)

Barry S,

- *Clinical effectiveness and clinical governance for midwives* (Weston A *et al*). **122**(2), 131 (BR)
- *Fast Facts. Gynaecology highlights 2000-2001* (Stones R W). **122**(2), 132 (BR)

Bashford J,
- *see* Opaneye A A and Bashford J. **122**(2), 108-111 (R)
- *see* Opaneye A A *et al.* **122**(1), 58-60 (R)
Basic statistics and epidemiology - a practical guide (Stewart A). **122**(3), 201 (BR)
Behaviour,
- *Caring for a child with autism: a practical guide for parents* (Ives M and Munro N). **122**(3), 199 (BR)
- *Remarkable nutritional treatment for ADHD, dyslexia and dyspraxia* (Stordy J and Nicholl M). **122**(3), 199-200 (BR)
Bereavement,
- *Crucial decisions at the beginning of life: parents' experiences of treatment withdrawal from infants* (McHaffie H). **122**(1), 64-65 (BR)
- *Understanding children's experiences of parental bereavement* (Holland J). **122**(2), 127-128 (BR)
Best practice, *Principles for best practice in clinical audit* (NICE). **122**(2), 130-131 (BR)
Biblical medicine, *Essene's sister sect in Egypt: another medical site?* (Moss G A). **122**(4), 256-265 (HP)
Biopsychosocial model, *Physicians of the future: Renaissance of polymaths?* (Piko B F and Stempsey W E). **122**(4), 233-237 (A)
Black South Africans, *Health behaviour among Black and White South Africans* (Peltzer K). **122**(3), 187-193 (R)
Blood clots, *Travellers' thrombosis* (Scurr J H). **122**(1), 11-13 (A)
Boath E, *see* Weston A *et al.* **122**(2), 131 (BR)
Bouveret syndrome: an unusual complication of gallstone disease (Khan A Z *et al*). **122**(2), 125-126 (LTBL)
Bouveret's syndrome, *Bouveret syndrome: an unusual complication of gallstone disease* (Khan A Z *et al*). **122**(2), 125-126 (LTBL)
Bowel obstruction, *Bowel obstruction due to extrinsic compression by metastatic lobular carcinoma of the breast* (Daniels I R *et al*). **122**(1), 61-62 (LTBL)
Bowel obstruction due to extrinsic compression by metastatic lobular carcinoma of the breast (Daniels I R *et al*). **122**(1), 61-62 (LTBL)
Brain disorders, *Neurological, psychiatric and developmental disorders: meeting the challenge in the developing world* (Committee on Nervous System Disorders in Developing Countries, Board of Global Health of the Institute of Medicine). **122**(4), 268-269 (BR)
Breast cancer,
- *Bowel obstruction due to extrinsic compression by metastatic lobular carcinoma of the breast* (Daniels I R *et al*). **122**(1), 61-62 (LTBL)
- *Breast cancer information on the web* (Sai Sankar N). **122**(3), 156-157 (A)
Breast cancer information on the web (Sai Sankar N). **122**(3), 156-157 (A)
Brittle bones, *Fast Facts. Osteoporosis* (Compston J and Rosen C). **122**(4), 269 (BR)
Brundrett G,
- *Legionnaires' disease.* **122**(3), 146-147 (CT)
- *Sickness at high altitude: a literature review.* **122**(1), 14-20 (A)
- *Who is responsible for specifying healthy travel conditions?* **122**(1), 5 (GE)
Bulimia nervosa, *Sensing the self* (Reindl S M). **122**(2), 129 (BR)
Business travel, *Health and safety aspects of business travel* (Easmon C). **122**(1), 7-8 (CT)

C

Cancer,
- *Bowel obstruction due to extrinsic compression by metastatic lobular carcinoma of the breast* (Daniels I R *et al*). **122**(1), 61-62 (LTBL)
- *Breast cancer information on the web* (Sai Sankar N). **122**(3), 156-157 (A)
- *Fast Facts. Colorectal cancer* (Taylor I *et al*). **122**(2), 133 (BR)
- *Prostate cancer screening* (Thompson I M *et al*). **122**(1), 65 (BR)
- *Shooting the bearer of 'good news'* (Fryer F). **122**(4), 270 (L)
- *With recent changes in environmental factors among Africans in South Africa, how have cancer occurrences been affected?* (Walker A R P). **122**(3), 148-155 (A)
Care,
- *Care of older people* (Dickerson J W T). **122**(3), 141 (GE)
- *Caring for a child with autism: a practical guide for parents* (Ives M and Munro N). **122**(3), 199 (BR)
- *Caring for a relative with chronic fatigue syndrome: difficulties, cognition and acceptance over time* (Ax S *et al*). **122**(1), 35-42 (R)
- *Perceptions of caregivers regarding the importance of dental care for institutionalised seniors: a pilot study* (Reznick S and Matear D W). **122**(3), 170-174 (R)
- *Willingness of general dental practitioners to treat people with handicapping conditions: the Hong Kong experience* (O'Donnell D *et al*). **122**(3), 175-180 (R)
Care of older people (Dickerson J W T). **122**(3), 141 (GE)
Caring for a child with autism: a practical guide for parents (Ives M and Munro N). **122**(3), 199 (BR)
Caring for a relative with chronic fatigue syndrome: difficulties, cognition and acceptance over time (Ax S *et al*). **122**(1), 35-42 (R)
Carruthers M, *Testosterone revolution.* **122**(2), 132 (BR)
Case study,
- *Bouveret syndrome: an unusual complication of gallstone disease* (Khan A Z *et al*). **122**(2), 125-126 (LTBL)
- *Bowel obstruction due to extrinsic compression by metastatic lobular carcinoma of the breast* (Daniels I R *et al*). **122**(1), 61-62 (LTBL)
- *Chinese herbal nephropathy and urothelial malignancy* (Mason R G and Donaldson D). **122**(4), 266-267 (LTBL)
- *Sunshine-induced hypercalcaemia?* (Macdonald J and Southgate H J). **122**(3), 194-196 (LTBL)
Ceremonial order of the clinic: parents, doctors and medical bureaucracies (Strong P M). **122**(2), 128 (BR)
Chambers R,
- *et al, Diabetes in primary care.* **122**(1), 64 (BR)
- *et al, Opportunities and options in medical careers.* **122**(3), 197-198 (BR)
- *et al, Prescriptions for learning. Techniques, games and activities.* **122**(2), 130 (BR)
- *see* Weston A *et al.* **122**(2), 131 (BR)
Chemical exposure, *Occupational and environmental exposure of skin to chemicals* (Packham C). **122**(4), 212 (CT)
Child health,
- *Caring for a child with autism: a practical guide for parents* (Ives M and Munro N). **122**(3), 199 (BR)
- *Does the stress in childhood and adolescence matter? A psychological perspective* (Lau B W K). **122**(4), 238-244 (A)
- *Immunization, childhood and travel health* (Kassianos G C). **122**(2), 127 (BR)
- *Reducing waiting times associated with an integrated child health service* (Clow D *et al*). **122**(4), 245-250 (R)
- *Suggestions in maternal and child health for the National Technology Assessment Programme: a consideration of consumer and professional priorities* (Johanson R *et al*). **122**(1), 50-54 (R)
Child health services, *Reducing waiting times associated with an integrated child health service* (Clow D *et al*). **122**(4), 245-250 (R)
Child mental health, *Child mental health in primary care* (Spender Q *et al*). **122**(3), 198 (BR)
Child mental health in primary care (Spender Q *et al*). **122**(3), 198 (BR)
Childhood stress, *Does the stress in childhood and adolescence matter? A psychological perspective* (Lau B W K). **122**(4), 238-244 (A)

Children's experiences, *Understanding children's experiences of parental bereavement* (Holland J). **122**(2), 127-128 (BR)
Chinese herbal medicine,
- *Chinese herbal nephropathy and urothelial malignancy* (Mason R G and Donaldson D). **122**(4), 266-267 (LTBL)
- *Risks associated with herbal slimming remedies* (Corns C and Metcalfe K). **122**(4), 213-219 (A)

Chinese herbal nephropathy and urothelial malignancy (Mason R G and Donaldson D). **122**(4), 266-267 (LTBL)
